Service

Services and Maintenance

Each home owner at The Falls has full access to the 24hr services provided.

5 star service package: Services, such as an in-house Chef who would cook your favorite meal in your own kitchen or BBQ,

Medical Care with a fully trained Physician and Nursing Staff, a Spa, Homeopathic Treatments, same day Laundry, Library with a full selection of books, DVDs and Magazines, Gardening/Landscaping and pre-arrival home preparation are only a few of the service items available in our package.

The Maintenance package is designed to offer home owners peace of mind whether they are fulltime or part time residents. All maintenance will be managed by professionals who are committed to maintaining the Five Star standard of all public areas and facilities. Homes will be cleaned, aired and gardens taken care of at regular intervals during occupancy and in absence of home owners.

A 24 hour security service with state of the art compound and in house alarm systems ensure protection of the property at all times.

Further convenient services include ticketing and airport transfers upon request. An airport VIP service checks you in and transfers you to your departure gate avoiding long queues and waiting times.

A regular shuttle service will be provided for shopping at the shopping Malls and connecting to the town center.

The Falls, Hua Hin offers numerous possibilities to enjoy your stay, starting with your own home, the clubhouse, Tennis court, Spa and Pools for physical movement or a relaxing massage, Sauna or Homeopathic treatment.

Golf lovers have a choice of over 9 internationally recognized Golf Courses from which part or permanent membership can be acquired. Golfers are picked up at their home and transported to the Golf Course of their choice, collected at the day's end.

Events and Tours in and around Hua Hin such as jungle trips, boating and other sightseeing and adventurous safaris will be arranged by our concierge.

The Falls, Hua Hin service team will endeavor to exceed expectations and be available 24 hours per day.
